

Cottage *series*

by Earthworks

Earthworks' Cottage Series brings timeless character to your project with natural stone veneers crafted in a relaxed, cottage-inspired style. Each stone is tumbled to soften edges and highlight texture, creating a warm, inviting look that blends classic charm with modern durability.

With Earthworks and our trusted distribution partners, you can Build Something Epic.

Lasting *beauty*. Timeless *charm*.

& inspiration.

All cottage series blends are tumbled and are best applied in a mortar based application. We strive to present the most accurate photography possible; however, colors may vary slightly due to the printing process. For precise color matching, we recommend viewing actual product samples.
